WORK EXPERIENCE

Remote Job:

- **Virtual-Assistant 2023 – 2024**
I worked remotely as a virtual assistant for a company based in Poland. During my time with them, I gained valuable experience and learned a great deal. This opportunity allowed me to develop my skills

Freelancing:

- **Fiverr & Upwork 2022 – 2025**
I am a part-time freelancer specializing in web development. My expertise includes Frontend development and Backend development to create responsive websites

Internship:

- **NFTP | Coursera | Hackathon**

PROJECTS

MERN Stack:

- **School Management System:** Full-stack MERN app to manage students, teachers, and classes.
- **CRUD App:** Web app with Create, Read, Update, Delete operations (React.js + Node.js).
- **Chat App:** Real-time messaging app using MERN stack and Firebase.
- **E-commerce Store:** Online shopping platform with user authentication and payment integration (MERN).
- **Portfolio Website:** Personal portfolio using MERN stack showcasing projects and skills.
